

merciful nothing themselves between messenger every her without more
leave follow oft some before up things after would unto moses doth even
none reward should were one this believe true out book unbelievers bring
each art mercy may fire what had lord from allah his with not on there earth ask
take call like life behold hath evil if they full be truth right am
at me shall ye that allah in a he their by see give
two sent us do shall ye that allah in a he their by see give
its come did do shall ye that allah in a he their by see give
faith my all have to is it let the of we those said over well
best such thy your are who is it let the of we those said over well
reject into signs nor or are who is it let the of we those said over well
never thus back thou has was our him as say which been how created came
forth man whom penalty men people say verily than make truly guidance
now about heavens made among against away nay given punishment cause
time these therein clear own
yet judgment except worship clear own away nay given punishment cause
righteous worship clear own away nay given punishment cause
