```
dknowing
      Lord
                  give
   good
                               cow
          see
indeed
                         other spike
                    take
       father
                     eat
                            seven
     when say
                                   fat
  so
brother
enter
Allaknow
                                   dry
                     one
                            graigreen
bag
```
